

The Section 368 Energy Corridors are being reviewed in stages; only corridor abstracts within Regions 4, 5, and 6 are currently available on the Section 368 Energy Corridor Mapping Tool.

The draft corridor abstracts for Region 1 are available on the [Region 1](#) page of the West-wide Energy Corridor Information Center website.

The final corridor abstracts for Regions 2 & 3 are available on the [Regions 2 and 3](#) page of the West-wide Energy Corridor Information Center website.
